

HORNADY

.338WinMag SST Superforma 20 Stk 14,6g/225grs #82233

Kaliber: Munition - Büchsenpatronen

Zustand: neu

Beschreibung:

HORNADY 338 Win Mag 200 gr SST® Superformance®

The NEW standard by which all ammunition will be judged.

Fast

Superformance ammunition is 100 to 200 fps FASTER than any conventional ammunition on the market today, and achieves this performance in EVERY gun, WITHOUT increases in felt recoil, muzzle blast, temperature sensitivity, fouling or loss of accuracy.

Innovative

Superformance is a cutting edge technological advancement in ammunition design that transcends convention and achieves the highest performance of any ammunition on the market today.

Specialized

Superformance uses ultra progressive propellants that take your favorite SST or GMX bullets to levels of performance that are simply unattainable with conventional propellants. In order to get more velocity in the past shooters have used a brute force approach large charge weights of a slow burning powder in a larger cartridge case. Ultimately this leads to more recoil and muzzle blast. The Superformance solution is an elegant approach that utilizes specialized powders at NORMAL charge weights, that impart ALL useable energy to the bullet reducing the ROCKET NOZZLE EFFECT at the muzzle while still increasing velocity!

Versatile

Superformance provides increased performance, and is safe to use in ALL firearms, including semi-autos*, lever gun and pump actions. Increases in rifle performance, no increases in barrel wear and felt recoil, along with superior temperature stability are all realized with Superformance ammunition.

Produktsicherheitsinformationen:

Dieses Produkt wurde vor dem 13.12.2024 auf dem Marktplatz bereitgestellt. Für Hersteller- und Sicherheitsinformationen wenden Sie sich an den anbietenden Händler.

Artikelnr.: 282946

69,50 EUR*

* inkl. MwSt.; zzgl. Versandkosten

Achtung:
H204: Gefahr durch Feuer oder Splitter, Sprung- und Wurfstücke.
F210: Von Hitze, Funken, offener Flamme und heißen Oberflächen fernhalten. Nicht rauchen.
P374: Brandbekämpfung mit üblichen Vorsichtsmaßnahmen aus angemessener Entfernung.
